Overview

Dr. Jay Ghosh is a highly experienced Orthopaedician based in Guwahati, Assam, with an impressive 22 years of dedicated service in the field of orthopaedics. He holds a robust educational background with qualifications including MBBS, MS in Orthopaedics, DNB in Orthopaedics, a Diploma in SICOT, as well as FNB in Spine Surgery and GDS. This extensive training equips him with the skills necessary to diagnose and treat a wide range of musculoskeletal issues, making him a valuable asset to his patients.

Fluent in multiple languages, including English, Hindi, Assamese, and Bengali, Dr. Ghosh is committed to ensuring effective communication with a diverse patient population, fostering trust and understanding. As a part of the Apollo medical group, he adheres to the high standards of care that the institution is known for, always prioritizing the well-being and recovery of his patients.

Dr. Jay Ghosh is passionate about orthopaedics and is dedicated to staying updated with the latest advancements in the field. His expertise extends beyond general orthopaedics to specialized care in spine surgery, where he employs innovative techniques to improve patient outcomes.

In his practice, Dr. Ghosh focuses not only on surgical interventions but also emphasizes the importance of preventative care and rehabilitation, helping patients regain their mobility and achieve a better quality of life. His compassionate approach and thorough understanding of patient needs make him a respected

professional in the medical community. Whether dealing with sports injuries, fractures, or chronic pain, patients can rely on Dr. Jay Ghosh for expert advice and exceptional medical care.
