Overview

Dr. Madan Ballal is a highly skilled Orthopaedician with over 21 years of extensive experience in the field of orthopaedics. Based in Bangalore, Karnataka, he has dedicated his career to providing expert care and innovative treatment solutions to patients with musculoskeletal disorders. Dr. Ballal holds a distinguished academic background, with an MBBS degree followed by a Masterâ€™s in Orthopaedics (MS Ortho). He further honed his expertise through a specialized fellowship in Arthroscopy and Sports Medicine, making him an authority in minimally invasive surgical techniques and sports-related injuries.

His practice focuses on addressing a wide range of conditions affecting the bones, joints, ligaments, and tendons. Dr. Ballal is known for his patient-centered approach, ensuring that each individual's needs are met with tailored treatment plans. Fluent in English, he provides accessible communication and education to his patients, helping them understand their conditions and the various treatment options available. As a member of the APOLLO network, Dr. Ballal is part of a prestigious healthcare institution, gaining access to the latest technologies and multidisciplinary collaboration to enhance patient care. With a commitment to ongoing learning and professional development, he stays abreast of advancements in orthopaedic medicine. Dr. Madan Ballal's passion for improving the quality of life for his patients reflects in his practice, making him a trusted choice for those seeking orthopaedic care in the region.
