Overview

Dr. Raj Palaniappan is a distinguished Bariatrician based in Chennai, Tamil Nadu, with an impressive 22 years of experience in the field of weight management and advanced surgical techniques. His commitment to patient care and surgical excellence has earned him recognition as a leader in bariatric surgery. Dr. Palaniappan holds multiple prestigious qualifications including MBBS, MS, MMAS, FICS (Gastro), FMAS, DMAS, FALS, FRS, and FLS, showcasing his extensive training and dedication to the medical profession. Fluent in English, Hindi, and Tamil, Dr. Palaniappan is well-equipped to communicate with a diverse patient base and ensure that each individual receives personalized care that meets their unique needs. His proficiency in multiple languages bridges cultural gaps, making him a preferred physician for many in the region.

Dr. Palaniappan is renowned for his groundbreaking contributions to the field of bariatric surgery, having performed several pioneering procedures in India. Notably, he was the first in the country to successfully execute Single Incision Laparoscopic Surgery (SILS) for various complex procedures, including SILS Cardiomyotomy and SILS Gastric By-Pass in 2010 and 2011, respectively. These achievements not only highlight his surgical skills but also reflect his passion for innovation in surgical techniques that improve patient outcomes.

As an Exclusive Partner, Dr. Palaniappan is committed to providing comprehensive care, focusing on both surgical interventions and holistic patient management, personalized to help individuals achieve sustainable weight loss and improved health. His exemplary track record and dedication to the field of bariatrics make him a sought-after expert among patients seeking transformative solutions to obesity and related health issues.

Experience
