Overview

Prof. Dr. Sciddhartha Koonwar is a highly qualified and experienced Paediatrician based in Lucknow, Uttar Pradesh. With an impressive career spanning 34 years, he has dedicated his medical practice to the health and well-being of children. Dr. Koonwar holds an MD in Pediatrics and further specialized with a Fellowship in Pediatric Haematology & Oncology, as well as a Post Doctoral Certificate in Pediatric Haematology. His extensive training and expertise allow him to handle a wide range of pediatric health issues, making him a trusted name in the field.

In addition to his clinical practice, Dr. Koonwar is fluent in both English and Hindi, enabling him to connect with a diverse patient base. His commitment to continuous learning and excellence in pediatric care has earned him the respect of his peers and the trust of countless families who seek his expertise.

As part of the Apollo group, Dr. Koonwar is associated with a premier healthcare institution known for its patient-centric approach and skilled healthcare professionals. Parents can rest assured knowing that their children are in capable hands under Dr. Koonwar's care. His approach not only focuses on treatment but also on preventative measures, ensuring the overall well-being of his young patients. Dr. Koonwar remains an integral part of the pediatric community, actively contributing to the advancement of children's healthcare. Whether dealing with common illnesses or complex health challenges, Prof. Dr. Sciddhartha

Koonwar remains a beacon of hope and care in pediatric medicine.
