Overview

Dr. Harsha Goutham H V is a distinguished Cardiothoracic Surgeon at Apollo Hospitals, Bangalore, with over 14 years of extensive experience in surgical care. He holds an MBBS, an MS in General Surgery, and an MCh in Cardiothoracic Surgery, equipping him with advanced expertise in managing complex heart and thoracic conditions.

Dr. Harsha specializes in a wide range of cardiothoracic procedures, including coronary artery bypass grafting (CABG), valve repair and replacement, management of congenital cardiac defects, and thoracic trauma surgeries. His approach combines surgical precision with a strong focus on patient safety, recovery, and long-term cardiac health.

In addition to his clinical excellence, Dr. Harsha is actively involved in academic discussions and medical research. He has participated in various national and international conferences, contributing valuable insights into advancements in cardiothoracic surgery and post-operative care.

Fluent in English, Hindi, Telugu, and Kannada, Dr. Harsha effectively communicates with a diverse patient population, ensuring each individual feels informed and supported throughout their treatment journey. He is known for his compassionate care, surgical skill, and commitment to improving patient outcomes.

Dr. Harsha Goutham H V is widely respected for his dedication to medical excellence and his unwavering focus on enhancing the lives of patients through expert cardiothoracic care.
