Overview

Dr. Rashmi Patil is a highly experienced Consultant Obstetrician, Gynaecologist and Laparoscopic Surgeon with over 15 years of clinical expertise. She specialises in Vaginal deliveries, Instrumental deliveries, High-risk pregnancy and management, Minimally Invasive Advanced Gynaecologic surgeries (Laparoscopy and Hysteroscopy), Fertility treatment, Adolescent gynaecology and Menopausal health.

Dr Patil has been academically brilliant since childhood and secured distinction in many subjects during her MBBS degree from JJMMC Davangere. She went ahead to pursue her MS degree from the reputed LTMMC Mumbai, Sion where she received many accolades in the academics. To add on to her qualifications, she obtained DNB, Fellowship in Minimal Access Surgery (FMAS) and MRCOG (Member of Royal College of Obstetrics and Gynaecology, London, UK). She underwent short term training in Laparoscopic and Hysteroscopic surgeries to enhance and refine her skills. She obtained prestigious EFOG-EBCOG (Europe) degree also to add on to her qualifications. She obtained Fellowship of American College of Obstetricians and Gynaecologists (FACOG) and is awarded Fellow of Indian College of Obstetrics and Gynaecology (FICOG) and Fellow of Karnataka College of Obstetricians and Gynaecologists (FKCOG).

Dr. Patil has presented several research papers in Mumbai, Maharashtra and Karnataka State, National and International conferences and bagged many prizes and awards. She has given several lectures as a Faculty in various conferences and CME. She has published several research articles in National and International journals and co-authored several chapters in text books.

Dr Patil owns Rayz Academy PVT LTD. Which is an online educational platform for MBBS students, post graduate students and practicing obstetrician and gynaecologists across the globe and has been running online courses for MRCOG and EFOG EBCOG successfully. Hundreds of students have successfully cleared these exams.

Dr. Patil has worked at several reputed hospitals across Karnataka and is currently associated with Apollo Hospitals. She is known for her patient-centric approach and clinical acumen, offering comprehensive care to women of all ages. Her areas of interest include Normal deliveries, Instrumental deliveries, High risk Obstetrics, Laparoscopic and Hysteroscopy surgeries, Fertility treatment, PCOS management and Menopausal health.

In addition to her clinical work, Dr. Patil is an avid speaker and has delivered lectures, participated as Panelist at various Local, State and National conferences. Dr. Rashmi Patil has published many research papers and has received many prizes and awards for them in Mumbai, Maharashtra, and Karnataka State, as well as at national and international conferences. She has also co-authored a number of chapters in textbooks. She is committed to providing evidence-based, compassionate care to all her patients and believes in “Healthy Mother and Healthy Baby” outcome.
