Overview

Dr. Prasanna Katti is a highly skilled cardiologist based in Bangalore, with over eight years of dedicated experience in the field of cardiology. He is currently associated with Apollo Hospitals, Seshadripuram, where he brings his extensive knowledge and expertise to provide exceptional care to his patients. Dr. Katti completed his MBBS and went on to earn an MD in General Medicine, followed by a DM in Cardiology, equipping him with a comprehensive understanding of both general and specialized medical practices. His educational background lays a strong foundation for his clinical focus, which includes the diagnosis and management of various cardiovascular conditions, preventive cardiology, and advanced cardiac interventions. Dr. Katti is committed to delivering personalized patient care, ensuring that each individual receives the attention and treatment they deserve. He believes in fostering a collaborative environment where patients feel comfortable discussing their health concerns. His approach emphasizes clear communication, allowing patients to understand their conditions and treatment options thoroughly. By integrating the latest advancements in cardiology with compassionate care, Dr. Katti strives to empower his patients to take an active role in their health journey. His dedication to continuous learning and professional development ensures that he remains at the forefront of cardiology, providing the highest standard of care. At Apollo Hospitals, Seshadripuram, Dr. Katti is part of a renowned team of healthcare

professionals committed to excellence in patient care. The hospital's state-of-the-art facilities and multidisciplinary approach complement his clinical expertise, allowing for comprehensive treatment plans tailored to each patient's unique needs. Dr. Katti's association with Apollo Hospitals reflects his commitment to providing high-quality healthcare and his passion for improving the lives of those he serves. Whether managing chronic heart conditions or performing complex procedures, Dr. Prasanna Katti is dedicated to making a positive impact on the health and well-being of his patients.
