Overview

Dr. Pratheema R is a highly skilled and compassionate Critical Care specialist with over 12 years of dedicated experience in the field. Based at Apollo Speciality Hospitals OMR in Chennai, she has built a reputation for her exceptional clinical acumen and unwavering commitment to patient care. Dr. Pratheema's extensive educational background includes an MBBS degree, followed by a DNB in Anaesthesiology, and further specialization with an IDCCM and IFCCM. She has also completed the European Diploma in Intensive Care (EDIC), equipping her with a comprehensive understanding of critical care medicine and the latest advancements in the field. In her practice, Dr. Pratheema focuses on providing holistic care to critically ill patients, ensuring that each individual receives personalized treatment tailored to their unique needs. Her approach emphasizes not only the medical aspects of care but also the emotional and psychological support necessary for patients and their families during challenging times. Dr. Pratheema believes in fostering open communication, encouraging patients and their loved ones to engage actively in the treatment process. This patient-centered philosophy is a cornerstone of her practice, allowing her to build trust and rapport with those she serves. As a valued member of the Apollo Speciality Hospitals OMR team, Dr. Pratheema R contributes to a collaborative environment where multidisciplinary care is prioritized. Her expertise in critical care enhances the hospital's commitment to

delivering high-quality healthcare services. With a focus on continuous learning and professional development, Dr. Pratheema stays abreast of the latest research and innovations in critical care, ensuring that her patients benefit from the most effective and evidence-based treatments available. Her dedication to excellence in patient care makes her an invaluable asset to both her patients and the Apollo Speciality Hospitals community.
