Overview

Dr. Srividhya Sugavanam is a highly esteemed pediatrician with over 15 years of dedicated experience in the field of child healthcare. Based in Chennai, she has built a reputation for her compassionate approach and unwavering commitment to the well-being of her young patients. Dr. Sugavanam holds an MD in Pediatrics, which has equipped her with a robust foundation in the complexities of child health. Her extensive training and experience enable her to address a wide range of pediatric conditions, from routine check-ups to more complex health issues, ensuring that every child receives the highest standard of care. At Apollo Children's Hospital, Chennai, Dr. Sugavanam is an integral part of a multidisciplinary team that prioritizes the health and happiness of children. Her clinical focus encompasses various aspects of pediatric medicine, including preventive care, developmental assessments, and management of chronic illnesses. Dr. Sugavanam believes in a holistic approach to healthcare, where she not only treats the physical ailments of her patients but also considers their emotional and psychological needs. She fosters a warm and welcoming environment, encouraging open communication with both children and their families. This patient-centered approach helps to alleviate concerns and build trust, making each visit a positive experience. Dr. Sugavanam's association with Apollo Children Hospitals reflects her commitment to providing exceptional pediatric care. The hospital's state-of-the-art facilities and collaborative environment
