Overview

Dr. Edison Albert B E is a dedicated and compassionate paediatrician specializing in neonatology, with six years of extensive experience in the field. Based in Chennai, he is currently associated with Apollo Speciality Hospitals OMR, where he provides exceptional care to newborns and infants. Dr. Edison's educational journey is marked by a strong foundation in medicine, having earned his MBBS, followed by a Diploma in Child Health (DCH) and a Diplomate of National Board (DNB) in Pediatrics. He further honed his expertise through a Fellowship in Neonatology, equipping him with advanced skills to manage complex neonatal conditions and ensure the best outcomes for his young patients. In his practice, Dr. Edison is committed to delivering comprehensive and individualized care, understanding that each child is unique and requires tailored treatment plans. His clinical focus encompasses a wide range of neonatal issues, including premature birth, respiratory distress, and congenital disorders. Dr. Edison believes in a holistic approach to patient care, emphasizing the importance of family involvement in the treatment process. He takes the time to educate parents about their child's health, fostering a supportive environment that encourages open communication and trust. His warm demeanor and empathetic nature make him a favorite among families, as he strives to alleviate their concerns while providing the highest standard of medical care. At Apollo Speciality Hospitals OMR, Dr. Edison is part of a multidisciplinary team that
