Overview

Dr. Akshay Deodhar is a skilled Emergency Medicine Specialist at Apollo Hospitals, Navi Mumbai, with over 11 years of dedicated experience in managing acute medical and surgical emergencies. He holds an MBBS degree along with MEM (Masters in Emergency Medicine) and MRCEM (Member of the Royal College of Emergency Medicine), underscoring his expertise in international emergency care standards.

Dr. Deodhar is proficient in handling time-critical conditions such as trauma, cardiac emergencies, strokes, respiratory distress, and toxicological cases. His clinical acumen, combined with rapid decision-making and advanced resuscitative skills, ensures the highest level of care in life-threatening situations.

Known for his calm demeanor and patient-focused approach, Dr. Deodhar emphasizes quick stabilization, accurate diagnosis, and clear communication with patients and families during emergencies. He is fluent in English, Hindi, and Marathi, facilitating effective interaction with patients from diverse backgrounds.

Beyond his clinical duties, Dr. Deodhar is actively involved in emergency medicine training programs and continues to enhance his knowledge through participation in national and international workshops. His commitment to excellence and preparedness makes him a trusted leader in emergency care delivery.
