Overview

Dr. Abheek Kar is a highly experienced Orthopaedician based in Kolkata, West Bengal, with an impressive 17 years in the field. His expertise lies specifically in shoulder and knee-related problems, making him a sought-after specialist for patients suffering from issues in these critical areas. Dr. Kar holds qualifications MBBS, MS (Ortho) and MRCS (Shoulder and Knee), demonstrating his extensive training and commitment to orthopaedic medicine. He is fluent in English, Bengali, and Hindi, allowing him to communicate effectively with a diverse patient population.

As a dedicated doctor at Apollo, Dr. Kar emphasizes the importance of personalized care tailored to each patient's unique needs. It is advisable for patients seeking his expertise to be aware that there may be extended waiting times, ranging from 1 to 3 hours, due to hospital walk-ins, emergencies, and operational theatre commitments. This highlights his popularity and the trust that his patients place in his ability to provide high-quality medical advice and treatment.

Patients are encouraged to book appointments specifically for shoulder and knee issues, ensuring that they receive focused attention and care. Dr. Abheek Kar's commitment to orthopaedics, combined with his extensive experience and patient-centric approach, makes him a leading choice for anyone experiencing musculoskeletal challenges in the Kolkata area.
