Overview

Dr. Akhilesh Kumar is a distinguished Neuro Surgery Specialist at Apollomedics Super Specialty Hospitals in Lucknow, bringing over seven years of dedicated experience to his practice. He holds an MS in General Surgery and an MCh in Neurosurgery, equipping him with advanced expertise in complex neurosurgical procedures, including brain tumor resections, spinal surgeries, and minimally invasive techniques. Dr. Kumar is deeply committed to patient-centered care, ensuring that each patient receives personalized treatment tailored to their unique needs. His approach combines innovative treatments with a compassionate understanding of the challenges faced by patients and their families. He actively engages in research and academic discussions, contributing to advancements in neurosurgery and staying abreast of the latest developments in the field. An active participant in medical conferences, Dr. Kumar shares his insights and findings with peers, fostering a collaborative environment for knowledge exchange. He is fluent in both English and Hindi, allowing him to effectively communicate with a diverse patient population, ensuring that all patients feel understood and supported throughout their treatment journey. Dr. Kumar's dedication to medical excellence and his patients' well-being make him a trusted choice for neurosurgical care.
